

## Parental engagement research

### KEY REFERENCES

A list of key references which present research findings about parental engagement.

**Australian Government**

**Department of Education, Employment  
and Workplace Relations**

## *Acknowledgement*

The Parental Engagement in Schooling in Low Socio-economic Status Communities Project received funding from the Australian Government as one of six national key reform projects under the Smarter Schools National Partnerships. The Project has been overseen by a Taskforce, led by South Australia, with representatives from parent, government and non government organisations.

For further information about the national key reform projects:

<http://www.deewr.gov.au/Schooling/Programs/SmarterSchools/Pages/NationalKeyReformProjects.aspx>
